

# Supporting Our Parents With Online Safety

*Digital Wizards*

## Practical Tips For Parents

- Ask your children which apps they use and what they like about them.
- Explain how they can use privacy settings.
- Check if their apps have 'geo-location' enabled, sharing their location unintentionally.
- Show them how to report&block people.
- Check tagging settings.
- Encourage your child to come and talk to you if they see anything that upsets them.

## Conversation Topics

People present themselves differently online- do they really look like that? are they always having that good a time?

People may not always be who they say they are online

**Keep Talking....**

What does being a good friend and a likeable person online look like?
